

FSY REGISTRATION INFORMATION

OCTOBER 22-JANUARY 14 — Pre-register on the [FSY registration website](#)

- ❖ Youth must be approved by a member of their bishopric/branch presidency before they can pre-register.
- ❖ Pre-registration is the first phase of registering for FSY. Youth can indicate their session and group preferences, which significantly improves their chances of attending their preferred session.
- ❖ **Information needed for pre-registration:**
 - ❖ Church account username and password (check the [Account Error Resolution](#) page if you've forgotten your church user name or password or don't have a church account)
 - ❖ Personal information: name, birth date, address, phone number, email address, and photo
 - ❖ Medical information
 - ❖ Initial medical & dietary accommodation requests
 - ❖ Session preferences — Rank available FSY sessions in order of preference (may edit until Jan 14)
 - ❖ Pre-registration session link — A way to ensure an individual gets assigned to the same session as up to 5 other youth. Links are capped at 6 people with no exceptions. All youth must use the same code to join the session link. The first youth to pre-register will create the link and then share the code with up to 5 other youth. (may edit until Jan 14)

JANUARY 16-29 — Finalize registration on youth's [FSY Dashboard](#)

- ❖ At the beginning of this phase, session assignments can be viewed on youth's [FSY Dashboard](#) (if registration is not finalized, youth's spot will be forfeited)
- ❖ **Information needed when finalizing registration:**
 - ❖ Roommate's registration confirmation number (if requesting a roommate who's already registered)
 - ❖ Detailed medical & dietary accommodation requests
 - ❖ Credit or debit card information to pay the \$75 participant fee (counsel with bishop/branch president if participant fee is a financial burden for your family)

FEBRUARY 13-26 — Youth who did not pre-register may register on the [FSY registration website](#)

ROOMMATE & COMPANY FSY REGISTRATION INFORMATION:

- ❖ Participants may request a roommate by entering their desired roommate's registration confirmation number when finalizing youth's registration. Two youth of the same sex and same age-group, who are registering in the same session, may request to be linked as roommates. The first youth will finalize registration without requesting a roommate and then provide his/her registration confirmation to the second youth, who will enter that into the roommate request field when they finalize registration.
- ❖ **Every effort is made in honoring roommate requests; however, they are not guaranteed.**
- ❖ Participants who do not select a roommate will generally be assigned one.
- ❖ Youth and their roommate will be randomly assigned a counselor group and company at the FSY session. Counselor groups and companies are formed by age-groups. Group One includes those turning 14-15 years old in 2025, and Group Two includes those turning 16-18 years old in 2025.

REGISTRATION DEADLINES:

- ❖ Medical & dietary accommodation requests can be made up until 45 days before session start date
- ❖ Roommate requests can be made up until the Sunday 2 weeks before session start date
- ❖ Youth may withdraw with a full refund, up until 6:00 p.m. on the Sunday before a session starts
